

Retractable Fabric Awning Warranty

The purchaser is responsible to follow the guidelines for care, maintenance, operation, use, and storage of this product in accordance with the Operation Instructions and Product Care Manual provided at installation and also available on www.perfectaawnings.com.

Lateral arm, retractable awnings are to be used primarily for sun protection and must be retracted during high wind, heavy rain, or other types of inclement weather. This type of awning is to be retracted during overnight periods and when the homeowner is not on the premises. Do not rely on sun and motion sensors to protect your awning against wind damage. Power failures will render your awning inoperable. This type of damage is not covered under this warranty.

We, at Perfecta Awnings, Inc., pride ourselves on the quality of all of our models. In turn, we offer a (10) ten-year limited warranty to the original purchaser on our Sunrise, Toga, Little Big, Large and Small Window models and a (5) five year limited warranty to the original purchaser on our Sunpitch and Sunselect models.

Under these limited warranties, Perfecta Awnings, Inc. warrants the working mechanism to be free from defects in workmanship and materials under normal and proper use for the warranty period as stated above.

Under this limited warranty, any such defects must be reported within the applicable warranty period as stated above. Perfecta reserves the right to repair or replace any defective part of the working mechanism system, provided that the frame and/or its parts have not been altered, abused, misused or installed improperly. Should the product purchased be discontinued, Perfecta Awnings, Inc. reserves the right to replace the defective parts with comparable ones currently in use. If any item is replaced due to a warranty claim, the warranty is not extended on the repaired or replaced part, but applies to the original warranty period.

Warranty Exclusions: Perfecta Awnings, Inc. assumes no liability for damage due to lack of maintenance, improper installation, reinstallation and service, failure to adhere to pitch requirements, or use or misuse for which this product was not intended.

Perfecta Awnings, Inc. assumes no liability for damage to any structure to which the awning is installed or attached, or to property or items located above, below or near the awning. Further, this warranty is void when the awning is sold, serviced or repaired by any unauthorized dealer or service outlet. Labor costs for the removal or reinstallation of awning parts are not covered by this warranty and are the responsibility of the owner.

Perfecta Awnings, Inc. assumes no liability for damage caused by any act of nature including, but not limited to, hurricanes, gales, tornadoes, snow, sleet, heavy rain, high winds, hail, flooding, weight or loads allowed to accumulate on the awnings, fire, similar hazards, vandalism, neglect, improper use or care. This limited warranty does not cover normal wear and tear, dents, scratches, weather soiling/stains from environmental pollution, degeneration due to corrosion or other sources.

Perfecta Awnings, Inc. shall not be liable for any incidental or consequential damages, loss or injury. This warranty gives you specific legal rights, but you may also have additional or other rights that may vary from state to state.
